

GAINESVILLE FOR
THE NEXT MEETING

This Was Voted by State Medical Association Thursday.

A VERY INTERESTING MEETING

Of the Medical Fraternity—Dr. McKinstry Elected First Vice-President, and Dr. Hodges Also Honored—Pill Rollers Have a Banquet.

Gainesville has no complaint to make of her share of the honors bestowed by the annual session of the State Medical Association, which adjourned after an interesting session of two days in Jacksonville Thursday evening. Dr. J. F. McKinstry, Jr., had the honor of being elected first vice-president of the association; Dr. J. Harrison Hodges was elected counselor for the Eighth District, and to dress the honors already conferred properly, Gainesville enjoyed the distinction of being selected as the place for holding the next annual meeting, which will convene in April, 1906. Jacksonville and Tallahassee were also applicants for the meeting.

Officers Elected.

The following officers of the association were elected for the ensuing year: President, J. M. Jackson, Jr., Miami; first vice-president, J. F. McKin-

stry, Jr., Gainesville; second vice-president, J. H. Palmer, Tallahassee; third vice-president, J. H. Durkee, Jacksonville; librarian, J. D. Love, Jacksonville, re-elected.

During the session many papers were read, among which was one, "Eye Strain, a Frequent Cause of Headaches and Nervous Derangements," by Dr. Hodges.

A Dutch Lunch.

In the evening the physicians assembled at the Rathskeller, where the Duval Medical Association had prepared a bountiful repast in the nature of a Dutch lunch, in honor of the visitors. At this function Dr. J. F. McKinstry, Jr., was honored as toastmaster. Those present declare that the banquet was one of the most enjoyable affairs of the season.

Drs. McKinstry and Hodges returned to their homes Friday noon.

A Dandy for Burns.

Dr. Bergin, Pans, Ill., writes: "I have used Ballard's Snow Liniment; always recommend it to my friends, as I am confident there is no better made. 'It is a dandy for burns.' Those who live on farms are especially liable to many accidental cuts, burns, bruises, which heal rapidly when Ballard's Snow Liniment is applied. It should always be kept in the house for cases of emergency." 25c, 50c, \$1.00 bottle. Sold by W. M. Johnson.

In the Mayor's Court.

There were two cases before His Honor Mayor Thomas Friday. A. F. Frasier, charged with disorderly conduct, was fined \$10 and costs, while Georgia Harris, upon the same charge, met the same fate.

COMPETENT JUDGES.

Beauty Doctors Endorse Herpicide. Women who make a business of beautifying other women come pretty near knowing what will bring about the best results. Here are letters from two, concerning Herpicide:

"I can recommend Newbro's 'Herpicide,' as it stopped my hair from falling out; and, as a dressing it has no superior."

"(Signed.) Bertha A. Trullinger, 'Complexion Specialist,' 294 Morrison St., Portland, Ore."

"After using one bottle of 'Herpicide' my hair has stopped falling out, and my scalp is entirely free from dandruff."

"(Signed.) Grace Dodge, 'Beauty Doctor,' 136 Sixth St., Portland, Ore."

Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

A PROMINENT VISITOR.

Rev. G. W. Painter, Missionary to China for Many Years, Was Here.

Among the prominent visitors to this city Friday was Rev. G. W. Painter of Virginia, for the past thirty-two years a missionary from the Presbyterian church to China. This distinguished religious worker dined with Rev. and Mrs. Thomas P. Hay.

Mr. Painter was commissioned as a missionary from the Presbytery of Abington, Va., in 1873. On his first visit to the Far East he remained ten years. During his thirty-two years' service he has visited his native country four times. He is located in Hong Chow, Central China, and expects to return to that country the latter part of the summer.

Mr. Painter's mission in the United States is an effort to secure increased interest in the church in China, in view of the political conditions there. "I feel that China, Korea and Japan are likely to coalesce in an effort to secure Asia for the Asiatic, and put a stop to Western encroachment," he said.

This distinguished divine attended the session of the Presbytery of the Suwannee at McIntosh, and was greatly encouraged with the work as he observed it. He departed in the afternoon for Palatka and Jacksonville, and expects in a short time to take up the work in Georgia. He has been three months in Florida.

Last Hope Vanished.

When leading physicians said that W. M. Smithart of Pekin, Ia., had incurable consumption, his last hope vanished; but Dr. King's New Discovery for consumption, coughs and colds kept him out of his grave. He says: "This great specific completely cured me, and saved my life. Since then I have used it for over 10 years, and consider it a marvelous throat and lung cure." Strictly scientific cure for coughs, sore throats or colds; sure preventive of pneumonia. Guaranteed, 50c and \$1.00 bottles at all drug stores. Trial bottle free.

TUESDAY'S ELECTION.

Alderman Will be Chosen to Fill Vacancy—Only Two Candidates.

There seems to be little interest manifested in the approaching special election, which has been called for Tuesday next for the purpose of electing an alderman to fill the unexpired term caused by the resignation of Alderman C. C. Pedrick. Only two candidates are certified, Dr. J. H. Colson and E. A. O'Neill. Neither gentleman appears to be an "aspirant," since, instead of laying his municipal political fences, Mr. O'Neill has been on a fishing frolic at Cedar Key since the first of the week, and his opponent lies dormant as far as his inclination for holding office is concerned. However, both are enterprising citizens, and either would fill the position with credit to themselves and the city.

If the Baby is Cutting Teeth

Be sure and use that old and well-tried remedy, Mrs. Winslow's Soothing Syrup, for children teething. It soothes the child, softens the gums, allays all pain, cures wind colic and is the best remedy for diarrhoea. Twenty-five cents a bottle.

A North Gainesville Picnic.

A very successful picnic was given Thursday at the bridge. While the number was small they were very select. They were from homes "severed far." The wit was sparkling as champagne, of which there was an absence

WOMEN NOT TRUTHFUL

This Statement Has Been Unjustly Made, Because Modest Women Evade Questions Asked By Male Physicians.

An eminent physician says that "Women are not truthful; they will lie to their physician." This statement should be qualified; women do tell the truth, but not the whole truth, to a male physician, but this is only in regard to those painful and troublesome disorders peculiar to their sex.

There can be no more terrible ordeal to a delicate, sensitive, refined woman than to be obliged to answer certain questions when those questions are asked, even by her family physician. This is especially the case with unmarried women.

Is it any wonder, then, that women continue to suffer and that doctors fail to cure female diseases when they cannot get the proper information to work on?

This is the reason why thousands and thousands of women are now corresponding with Mrs. Pinkham. To her they can and do give every symptom, so that she really knows more about the true condition of her patients, through her correspondence with them than the physician who personally questions them.

If you suffer from any form of trouble peculiar to women, write at once to Mrs. Pinkham, Lynn, Mass., and she will advise you free of charge.

The fact that this great boon, which is extended freely to women by Mrs. Pinkham, is appreciated, the thousands of letters received by her prove. Many such grateful letters as the following are constantly pouring in.

Ask Mrs. Pinkham's Advice—A Woman Best Understands A Woman's Ills.

owing to Mrs. J. D. Turner's presence. Good spring water and ice tea made after the Dorman method took its place.

The hour of parting came, each feeling we had not been at the 'bridge of sighs,' but the bridge of good cheer. Let this henceforth be its name, and that it spans pine brooks, not Hogtown Creek. We said good-bye, feeling we should not all meet again until the mysterious problem of our destiny was solved in eternity and we were permitted in some brighter clime to say good morning.

ONE WHO WAS THERE.

Cures Coughs and Colds.

Mrs. C. Peterson, 625 Lake St., Topeka, Kan., says: "Of all cough remedies Ballard's Horehound Syrup is my favorite; it has done and will do all that is claimed for it—to speedily cure all coughs and colds—and it is so sweet and pleasant to the taste." 25c, 50c, \$1.00 bottle. Sold by W. M. Johnson.

Mrs. Ella Lee, Frankford, Ind., writes: Dear Mrs. Pinkham:—

"I want to thank you for what your medicine has done for me. Three years ago I had inflammation of the ovaries and ulcers on my womb. I was under the doctor's care for about three months, and the only time I was not in pain was when under the influence of morphine. The doctor finally said I never would be better, and would be an invalid the rest of my life. I had given up in despair, but one evening I came across one of your advertisements and decided to write you for advice. I did so and commenced to take Lydia E. Pinkham's Vegetable Compound. I began to improve at once, and to-day I am a well woman, and I know it is all due to your advice and medicine."

Mrs. J. H. Farmer of 2809 Elliott Avenue, St. Louis, Mo., writes:

Dear Mrs. Pinkham:—

"I cannot thank you enough for what your advice and medicines have done for me. They have done me more good than all the doctors I ever had. For the last eight years I have suffered with female troubles; was very weak; had nervous prostration, and could not do my work; but I am happy to say Lydia E. Pinkham's Vegetable Compound has made a different woman of me. I am in perfect health and have gained in weight from 98 pounds to 122 pounds."

No other medicine in the world has received such widespread and unqualified endorsement. No other medicine has such a record for actual cures of female ills as has Lydia E. Pinkham's Vegetable Compound. Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health. Address, Lynn, Mass.

Truth Didn't Save Him. Father—Did you break this vase? Johnny—Yes, father; I cannot lie. Father—No, and you won't be able to sit either when I've done with you. Go and fetch the strap.—New Yorker.
